

Workshop on

HYDRODYNAMICS

December 6-9, 2004

Department of Mathematics
Indian Institute of Science,
Bangalore

The aim of this workshop is to expose research students and young researchers to the latest developments in the area of hydrodynamics. There will be lectures by eminent mathematicians, physicists and engineers providing a good mix of theory and applications.

Invited Speakers

J. H. Arakeri (IISc, Bangalore)
R. Balakrishnan (IMSc, Chennai)
J. K. Bhattacharjee (IACS, Kolkata)
R. Govindarajan (JNCASR, Bangalore)
R. Kidambi (NAL, Bangalore)
W. Lawton (NUS, Singapore)
R. Narasimha (IISc/JNCASR, Bangalore)
R. Pandit (IISc, Bangalore)
S. Ramaswamy (IISc, Bangalore)
P. N. Shankar (NAL, Bangalore)
Ya. G. Sinai (Princeton, USA)
M. Verma (IIT Kanpur)

Applications are invited from interested research students and researchers to participate in the workshop. Financial support (travel, boarding and lodging as per norms) will be provided to a limited number of participants. Please send your application (either by e-mail or by regular mail) giving name, age, designation, office address (with fax number, e-mail address etc), educational qualifications from Master's degree (with year and university), publications (if any), research interest and experience to:

The Convener
Workshop on Hydrodynamics
Department of Mathematics
Indian Institute of Science,
Bangalore 560 012
E-mail : hydro@math.iisc.ernet.in

Applications should reach by **November 5, 2004**. Local participants are also required to formally register.

Research students should also include a letter of recommendation from research supervisor/head of the department.

Organized by

Department of Mathematics, IISc
TIFR Centre, Bangalore
TIFR, Mumbai
